Academic Load
Kobe University does not have a full-time load. 124 credits or more are necessary to complete an undergraduate program (Bachelor degree) at Kobe University (approx. 30 credits/year). Maximum load per semester depends on each faculty, and there is no minimum load. However, all international students including exchange students must take at least 10 lesson hours (equivalent of 6-7 courses) per week according to the immigration law.

Course Types
There are 3 types of courses offered at Kobe University according to patterns I - III described below. Patterns I and II are "quarter courses", and III takes the format of "semester courses". As it depends on the course, please see the syllabus for further information.
I) 1 course per week for 8 weeks (including examination days)
II) 2 courses per week for 8 weeks (including examination days)
III) 1 course per week for 16 weeks (including examination days)

*1 course is regarded as 120 minutes at Kobe University. (Actual lecture is 90 minutes.)

Courses/Credits
Courses include lectures, seminars, experiments, exercises, and practical training. Each quarter is eight weeks long including examination days. Course grades are announced in each quarter. However, course credits are acquired at the end of each academic semester. One credit is usually awarded for fifteen hours of lectures. (For example, one lecture which is two hours long, offered once a week for eight weeks including examination days.) To receive one credit, a total of forty-five hours of study are required. This includes self-study hours to prepare for or review coursework.

Grading System
5-level grading system: S (90-100), A (80-89), B (70-79), C (60-69), and F (below 59)

Certificate of Eligibility (CoE)
Kobe University applies for CoE on behalf of incoming students after the issuance of acceptance letter. The immigration process usually takes about 1 month. Upon successful issue of CoE, Kobe University sends the original acceptance letter and the CoE that are needed for visa application in student's home country.

*A CoE is issued before a visa application by the immigration as evidence that the foreign national meets the conditions for landing in Japan. A foreign national who has a CoE can get a visa easier at an embassy or consulate within the standard processing period. Also landing permission will be given quickly if students show CoE to an immigration officer.*

| **Support for students with disabilities** | At Kobe University each faculty, school, graduate school and the Student Affairs Department provide disabled students with the necessary support during entrance examinations and admission to the University as well as the post-admission period. We aim to provide on-campus parking spaces and create an environment that enables students with disabilities to move around campus and freely engage in various activities. Each faculty, school and graduate school also aims to establish a supportive educational environment by conducting classes in rooms that are easily accessible, securing appropriate seating, and providing in-class support when necessary. | [Support for students with disabilities](http://www.kobe-u.ac.jp/campuslife/support/handicapped/) (Japanese)
