

# Academic Exchange Agreements

Kobe University has concluded academic exchange agreements with 174 overseas universities and institutions for both inter-university and inter-faculty/graduate school exchanges. The number of agreements for academic cooperation has been developed for recent years. Under these agreements, Kobe University is conducting intensive exchanges for education and research with partner universities and institutions, which enriches the academic environment on campus. Agreements with those marked “ \* ” have a mutual tuition waiver clause, which makes it possible to implement student exchanges and promote students’ mobilities.
