(Notes)

- Please fill out the form accurately. Incomplete forms may disadvantage the applicant in the household budget screening process.
- If the applicant's spouse is also a student, two forms must be submitted. (One for the applicant and one for the spouse.)
- If the scholarship is in a currency other than yen, please indicate the exchange rate and indicate the amount converted into Japanese yen as well.
- Please attach copies of each scholarship's acceptance letter (showing the amount and period of scholarship) to the back of this Form 3 by stapling them together in the order in which they are entered in this form.
- If you do not have the acceptance letter, please attach a copy of the selection result email that shows the amount and period of scholarship, or the scholarship information on your UriboNet portfolio page.
- For AY2023, you can only enter the confirmed scholarships that you will receive in 2023. Even if you are currently applying for a scholarship, you cannot include it on this form if you haven't received a confirmation notice yet.
