

Degree Programs Taught in English

(Programs where degrees can be obtained by taking subjects taught in English, and programs intended for preparing students for global career paths)

Faculty/Graduate school	Program	Department	Course/Program	Month of admission	Standard no. of students admitted	Contents
Graduate School of Law	Master's program	Law and Politics	Kobe LL.M. Global Master's Program in Law	April or October	5	The GMAP in Law program is a new LL.M. program of international business law and has the following characteristics. First, an internship in a law firm (or arbitration institution), for 2 weeks to 1 month, is integrated in the program. Second, each student is required to write a master's thesis (or a research paper) under the supervision of a professor. Third, participation in moot arbitration competition(s) (such as the FDI Moot, the Vis Moot, and the LAWASIA Moot) is integrated as selective courses. This program started in April 2015.
