

How to Search for Courses in the Syllabus

* Exchange students should take courses mainly at the Faculty/School, Graduate School or GEC they belong to, but they can also take courses offered at other Faculties/Schools, Graduate Schools with permission at the timing of course registration. During the registration period, they will be contacted about whether or not they can take the courses they have chosen.

Year:

For Fall semester; Course information for the Fall semester 2024 will not be available until late March, 2024. Please refer to the current information (AY2023) until then.

For Spring semester; Course information for the Spring semester 2025 will not be available until late March, 2025. Please refer to the information for the current year (AY 2023) or AY2024 information when it is posted.

- ◆ An academic year in Japan begins in April and end in March. All course/classes of next academic year are released in late March.
(e.g., Courses/classes in AY 2024 April - March will be released in late March, 2024)

Department:

Select an appropriate Faculty, Graduate School or GEC.

Subjects classified as "Master's Program" or "Doctoral Program" can only be taken by Master/Doctoral students.

E.g.) 'Law' → Faculty of Law (for Undergraduates)
'Law (Master's Program)' → Graduate School of Law (for Master students)
'Law (Doctoral Program)' → Graduate School of Law (for Doctoral students)

- 1) The following courses are not open to exchange students:
 - Courses offered by the College of Liberal Arts and Sciences
 - Courses for Teaching Credentials
- 2) The School of Medicine (undergraduate level) is NOT open to exchange students.

3) The following types of courses offered by the Faculty of Oceanology* and the Graduate School of maritime Sciences are not open to exchange students:

- Experiment
- Practicum
- Tutorial

* To be renamed to "Faculty of Ocean Science and Technology" (April 1, 2024~)

4) KIMAP (Kobe Interdisciplinary Master Program) in management is for degree-seeking students and is subject to limited availability.

5) Japanese language courses offered by the Global Education Center (GEC) are open to all exchange students regardless of their affiliation.

6) The name of the Faculty of Oceanology will change to the "Faculty of Ocean Science and Technology" (from April 1, 2024 ~). Please select the new name in the Department field after April 1, 2024, if necessary.

◆To check **Japanese Language Courses/Classes** offered by the Global Education Center, please refer to a picture below when you select in Department field when you look up classes/courses.

(The Timetable codes are different depend on your academic level.)

Tip of searching for
GEC courses/classes

Global Education Center	
学部レベル (学部)	⇒ Undergraduate
大学院レベル (博士課程前期課程)	⇒ Master
大学院レベル (博士課程後期課程)	⇒ Doctor

Lesson period of Semester (Quarter system is used in some courses):

Lesson Period in Fall: Choose from 2nd semester (October - February),
3rd quarter (October - December)
4th quarter (December - February).

Lesson Period in Spring: Choose from 1st semester (April - August),
1st quarter (April - June)
2nd quarter (June - August).

Classroom Language:

Many Faculties (Schools) /Graduate Schools offer courses only in Japanese. To find English-taught courses, select 'English' in the Classroom Language field.
