To All Those to be Enrolled in

## II Precautions when enrolling ご加入時におけるご注意事項

#### 1. Disclosure obligation

Items on the enrollment request form and so on with a \star or ☆ mark next to them are important items (disclosure items) required for enrollment, and therefore must be filled in accurately (the right to receive disclosure lies with the agent of Tokio Mariné & Nichido Fire Insurance). If the entered content differs from the actual facts, or if the actual facts are not entered for disclosure items, enrollment may be canceled, preventing insurance payments from being made.

 $A \Leftrightarrow$  mark is indicated next to disclosure items and notification items. Please refer to "III-1 Notification obligation, etc." later in this document for details on notification items. Similarly, if making changes to the enrollment information following enrollment in the form of additional coverage, the following items must be disclosed when the changes are made.

[List of disclosure items and notification items]

- $\frac{1}{2}$ : Disclosure items and notification items
  - Job or duties, etc. if the insured person in question is engaged in work \*1
- Public healthcare insurance system in which the insured person in question is enrolled \*2
   t Disclosure items
- Date of birth of the insured person in question
- Content of any other insurance contracts, etc. \*3 that have been concluded
- \*1 Includes cases where taking a new occupation, or quitting an existing one.
- \*2 Both disclosure items and notification items (  $\updownarrow$  ) are required only if the medical expense coverage special provision has been set.
- \*3 This refers to a concluded insurance contract or mutual aid contract other than this contract for which the payment responsibility is entirely or partially the same as this contract. If another insurance contract and so on has been concluded, there may be cases, depending on the content of the other contract, in which Tokio Marine & Nichido Fire Insurance is unable to undertake the insurance.

#### Cooling off

There is no cooling off period for the enrolled insurance.

#### Death beneficiary

If designating a particular person as the death beneficiary of Comprehensive Life Insurance (Comprehensive Child Coverage), always obtain the consent of the insured person (if no one is designated, the death benefit shall be paid to the legal heir.)

Enrollment will be invalid if enrolling without obtaining consent. If designating a particular person as the death beneficiary, please discuss enrollment in this insurance with the family and so on of the insured person.

If wishing to designate the death beneficiary, please notify the inquiry contact listed in the pamphlet and so on.

# III Precautions following enrollment ご加入後におけるご注意事項

#### 1. Notification obligation, etc.

#### [Notification items]

If changes are made to the content of items with a  $\Leftrightarrow$  mark next to them (notification items) in the enrollment request form and so on, please notify the inquiry contact listed in the pamphlet and so on without delay. The insurance payment made may be reduced if no contact is made. Please note that notification items differ for each product purchased, and that depending on the product, there may be cases in which items with a ☆ mark next to them do not apply to notification items. Refer to the above-mentioned "II-1. Disclosure obligation [List of disclosure items and notification items]" for details of notification items for each product purchased.

#### [Other items for which notification is required]

#### Common to all products

If making a change to the address and so on of the enrollee, please notify the inquiry contact listed in the pamphlet and so on without deláy

Tenant liability coverage special provision

If making a change to the address of the insured person, please notify the inquiry contact listed in the pamphlet beforehand.

#### [Changes following enrollment]

After joining, if you would like to modify the content or cancel, please contact us before the modification / cancellation date. During the coverage period, if you no longer become eligible for this insurance coverage, you will have to go through the cancellation procedure. However, there are cases where it may possible to continue the coverage until the end of the insurance period, so please contact the contact information provided on the brochure, etc.

If receiving an insurance payment claim within 1 month of a change to the enrollment information, for the sake of caution, please notify the person in charge listed in the pamphlet and so on.

#### 2. When canceling the insurance contract

If canceling enrollment, please notify the inquiry contact listed in the pamphlet and so on.

Depending on the enrollment information and contract termination conditions, insurance premiums may be returned, or unpaid insurance premiums may be billed \*1 using Tokio

Marine & Nichido Fire Insurance's prescribed calculation method. The sum for the insurance premium being returned or billed will differ depending on the insurance premium payment method and reason for termination of contract.

- Even if insurance premiums are being returned, as a rule, the returned sum shall be less than the amount obtained by deducting the insurance premium calculated on a "monthly basis" for the elapsed portion of the policy duration \*2 from the insurance premium already paid. • If terminating the insurance contract and enrolling anew without
- waiting for the maturity date, there may be cases in which coverage and insurance premiums change, and where services are no longer available.
- 1 Bills for insurance premiums may be received after the day on which the contract is terminated.
- \*2 This refers to the period that has already elapsed up to the contract termination date from the start date, including that day.

#### 3. Termination of contract at the request of the insured person

In the comprehensive life insurance (child insurance), there is a system in place, which allows for those having been insured to cancel the insurance, if they request it. For further information about the system and procedure, please contact the contact information stated on the brochure, etc. We hope you can explain this content to all those who have been insured.

#### 4. When the maturity date is reached

[If renewal is restricted following end of insurance period]

- Depending on the insurance payment claim status and age of the insured person and so on, there may be times when future
- renewals are refused, or underwriting conditions are restricted.
   If revisions are made by Tokio Marine & Nichido Fire Insurance to the standard policy terms, special provisions, or system and so on pertaining to insurance underwriting, the content on the renewal date shall apply for coverage following renewal. As a result, there may be cases in which the coverage content and so on following renewal is changed, or in which renewal is not possible.

#### Personal information handling

Please check the <Information relating to the handling of personal information> on the reverse side of the Payment Handling Slip.

- In order to prevent the purposeful causing of incidents involving fraudulent accident insurance contracts to multiple nonlife insurance companies and so on, and to ensure that insurance payments are made appropriately, promptly, and reliably, insurance companies verify the status of insurance contracts involving the same insured person or same incident, and the status of insurance payment claims against information registered with The General Insurance Association of Japan. Please note that this information shall not be used for purposes other than the above.
- 2. Contract terminations due to enrollment cancellation, invalidation, or important reason
- If designating a person other than the heir at law as the death beneficiary of Comprehensive Life Insurance (Comprehensive Child Coverage) when the insured person is other than the enrollee, enrollment shall be invalid without the consent of the insured person.
- If acknowledged that the contracting party, insured person, or insurance payment beneficiary is affiliated with a gang or falls under any other antisocial forces, Tokio Marine & Nichido Fire Insurance reserves the right to cancel enrollment.
- Enrollment may be canceled, invalidated, or terminated based on other reason's, policy terms, and so on.
- 3. Handling following insurance company failure In cases such as where the business of the insurance underwriter fails, there may be cases in which insurance
- payments, refunds and so are frozen for a certain period of time, or the sum involved is reduced. If the business of the insurance underwriter fails, this insurance
- shall be subject to coverage by the "Non-life Insurance Policy-holders Protection Corporation of Japan," and insurance payments and refunds shall be as shown in the following table for each type of coverage.

Insurance period	Handling in cases such as business failure
Within 1 year	Coverage shall be provided up to 80% as a rule (100% for insurance payments relating to insurance incidents occurring up to 3 months following the stoppage of payment by the failed insurance company).
Over 1 year	Coverage shall be provided up to 90% as a rule. However, coverage may be less than 90% if there are any changes to the assumed interest rate and so on following failure.
