Online-school

Economic Development and International Trade After Pandemic – EDITAP

Department of World Economy, St. Petersburg State University (SPSU)

Supported by the WTO Chairs Programme

November 15 – 20, 2021

The **EDITAP online school** aims to expand and deepen the students' knowledge of the international trading system in a post-pandemic environment.

Curriculum tracks:

- Essential challenges COVID-19 poses for international trade:
- Digital trade as a new reality: effects on economic development
 - IP protection in international trade and public health care
 - Transport infrastructure development after pandemic
 - Agenda for regional trade agreements: responses to pandemic
 - Post-COVID-19 future for global value chains

Schedule:

November 15-17	Lectures by SPSU staff and experts	10 hours
November 18-19	Students' team work on projects supervised by the academic coordinators	8 hours
November 20	Projects' presentations and final discussion	6 hours

Why join?

- Students will learn about topical issues in a post-pandemic environment
- The course provides students exposure to academic thinking as part of the WTO Chairs Program and in combination with offering policy options
- Interactive learning methods, including through teamwork in an international and a multidisciplinary setting
- Students having successfully completed the course will be granted a certificate and 3 ECTS points by SPSU
- IT platform will be provided for the interactive and distant learning
