why attend our summer program?

Established in 1995, MCI is among Austria's leading institutions of higher education. In our summer program, we will offer a number of international business courses with new additions from the discipline of engineering. Talk to your academic advisor to see how credits earned in our summer program can be transferred to your home university (e.g. as regular courses, as electives, or simply to fulfill a study-abroad requirement).

why come to innsbruck?

MCI is situated in the beautiful city of Innsbruck, in the heart of the Alps. Innsbruck offers exciting sports and leisure opportunities such as hiking, swimming, zip-lining or simply going for a relaxed stroll along the river Inn. There are several shopping malls in or close to the city center, museums, bars, cafés and movie theaters that show films in English. Owing to its location in central Europe, Innsbruck makes it easy to visit nearby cities and other countries – all it takes is a few-hours' train ride to:

- Salzburg, where Mozart used to live and "The Sound of Music" was filmed
- Vienna, Austria's gorgeous capital city with its rich imperial past
- Venice, one of the world's most romantic cities
