

2020 / NTU Winter+

NTU Plus Academy

NTU Plus Academy, managed and supported by Office of International Affairs (OIA), integrates resources at NTU and offers more than 20 topic-based short-term programs for international students. Each year, NTU welcomes over 500 international students from top universities all over the world. In addition to courses, students experience the local customs, the rich natural ecology and gain further insights into traditional and modern society.

NTU Quick Facts

Located in the heart of Taipei, National Taiwan University (NTU) is Taiwan's most prestigious university and has played a leading role in education and research since 1928. NTU offers a wide variety of opportunities for international students to study in the academic fields across 11 colleges, 54 departments and 107 graduate institutes.

國立臺灣大學
National Taiwan University

A photograph of the main gate of National Taiwan University (NTU). The gate is a large, circular stone structure with a central entrance and two side pillars. A flagpole with the NTU flag stands in front of the gate. The surrounding area is lush with greenery, including palm trees and other tropical plants. A paved road leads through the gate, and a white arrow on the ground points towards the entrance.
