

How to Search for Courses in the Syllabus

* Exchange students should take courses mainly at the Faculty/School, Graduate School or GEC they belong to, but they can also take courses offered at other Faculties/Schools, Graduate Schools on an approval basis. Approval process takes during the course registration period.

Year:

An academic year in Japan begins in April and end in March. All courses for the next academic year are released in late March.
(e.g., Course information for AY 2026 (April – March) will be released around March 2026.

Department:

Please make sure whether the appropriate level of courses are selected.

e.g.)

Department	Students for ...
Law	Faculty of Law (for Undergraduates)
Law (Master's Program)	Graduate School of Law (for Master students)
Law (Doctoral Program)	Graduate School of Law (for Doctoral students)

- ◆ To check Japanese Language Courses/Classes offered by the Global Education Center, please refer to a picture below when students select in Department field when you look up classes/courses.

The Timetable codes are different depending on your academic level. The identification is in Japanese, as shown below, so please be careful to check it.

Tip of searching for
GEC courses/classes

Global Education Center	
学部レベル (学部)	⇒ Undergraduate
大学院レベル (博士課程前期課程)	⇒ Master
大学院レベル (博士課程後期課程)	⇒ Doctor

Lesson period of Semester (Quarter system is used in some courses):

Lesson Period in Spring: Choose from 1st semester (April - August),
1st quarter (April - June)
2nd quarter (June - August).

Lesson Period in Fall: Choose from 2nd semester (October - February),
3rd quarter (October - December)
4th quarter (December - February).

Classroom Language:

Many Faculties (Schools) /Graduate Schools offer courses only in Japanese. To find English-taught courses, select 'English' in the Classroom Language field.
