### Notes

1. The percentages are obtained by rounding off to one decimal place.
2. "Number of Employed (B)" is the sum of "self-employed persons, etc." and "regular employees with employment contracts of one year or longer and working full-time equivalents."
3. "Number in Advanced Education (C)" is the total of those entering graduate schools, universities/undergraduate programs, junior college undergraduate programs, specialized courses, special programs, and vocational schools/foreign schools, etc.
4. Among those who advanced to higher education, those who are employed are counted as "Number in Advanced Education" and are not included in the "Number of Employed".
5. "Others (D)" includes examinees for civil service examinations, bar examinations, certified public accountant examinations, and other professional qualification examinations.
6. "Number of Job Seekers (E)" is the total of all employed persons, including temporary workers, and those preparing for employment (including those taking qualification exams).
7. "Number of Employed (B)" of Medicine includes Clinical Resident (110).
